The Wedding Class L.L.C.

Brides can now go to www.SuperStarWedding.com and learn about the newest and easiest methods to plan their wedding!

Take the free webinar (online class) session at the computer. It is ninety minutes of live, power packed, enlightening information and filled with colorful photos and includes tips on saving time, money, and lowers wedding stress levels.

It empowers brides to create and enjoy the wedding style of their dreams. Along with the free 90 minute initial class, brides receive management tools and a copy of "The Wedding Manifesto", a forthcoming book. The book and classes were created as a response to the following research:

- 84% of the women being married today want to coordinate their own wedding ceremony and reception.
- Couples today go over their planned budget by 15-30%.
- Relationship stress due to the extra workload of planning and funding the wedding expenses, on top of couple's busy work lives.
- Women, on average, will purchase over \$100 of magazines, books, etc., and still not know how to get started with the wedding planning process.
- Couples complain of information overload. This class cuts through the quagmire, giving specific results and useable management tools.

Brides and Grooms are busy and want a total resource where they:

- Jumpstart their planning process in the first free 90 minute session that includes the management forms brides seek.
- Can design their own "signature" wedding instead of a "cookie cutter" wedding.
- Save thousands of dollars and develop methods for effective spending.
- Are given access to unlimited resources to complete their wedding.
- Create a course of team action toward their marriage and lifetime relationships.
- Do not have to give out their personal information (leads) to receive this information (all class sign ups are kept private).

Take the free "live" class by signing up at www.SuperStarWedding.com (there is also a recorded version).

We turn Brides into SuperStar Brides and Grooms into SuperStar Grooms!
